Our services address associations' core challenges:

Value proposition strategy: When it's time to diagnose weaknesses and identify growth opportunities, this is where to start.

Pricing and revenue strategy: A fresh take with Halmyre will get you a win-win-win: for you, your members, and your sponsors.

Voice of your future member insights: Growth comes from those who haven't yet joined you. Listen to them with Halmyre's unique research.

Growth analytics and performance marketing: Apply skill, focus, and intention to hearing what your members are telling you.

Member experience design, journeys, and branding: Align your tech stack, member personas, journey maps, and brand to exceed member expectations.

What We Don't Do

We don't do surveys.
We research to drive insights.

We don't do guesswork.
We bring certainty, grounded in data.

We don't affirm what you think. *We show you what your members really want and need.*

We don't pull our punches. *We name the difficult truths you need to acknowledge to be resilient.*
